

As Evening Falls

Anthony Awtrey, 2008

1. As eve - ning falls up - on God's world,
2. In loss and pain we wait and pray;
3. Our saints go on to be with Christ,
4. The cov - e - nant of Christ is strong!

The light re - treats, the stars un - furled,
For Christ to come a - gain some day,
He paid the way, His sa - cri - fice,
The an - gel's sing their glo - rious song,

The sun is lost be - hind the hill,
For com - fort in our pain and loss,
Our loss is their im - meas - urable gain,
To com - fort those who sleep in faith,

And si - lent night de - scends to chill.
As we en - dure our hea - vy cross
For them there is no night a - gain.
Un - til the com - ing of God's grace.
